Mr. Dulles:

Noted a report indicating that the Soviets and Satellites have given little or no publicity to the President's reply to Bulganin's recent letter and asked Mr. Helms to insure that this is hit hard over RFE and Radio Liberation. The Director said he also believed an item should be put in the CIA daily bulletin with respect to the treatment the Russians are giving the President's letter.

Col. White:

Reported he had been informed by [redacted] that in a conversation with Congressman Wigglesworth, he (Wigglesworth) had highly praised the CIA people he had met during his recent trip abroad. The Director noted we have received similar commendations from other congressional travelers and asked Mr. Helms to draft an appropriate letter to the Chiefs of Stations concerned.
